

## **Declarations of Conformity to:**

### **REACH Regulation (EG 1907/2006)**

We hereby inform you that the products we supply do not contain any substances of very high concern (SVHC) on the candidate list above 0.1% by mass. Our suppliers are obliged to inform us without being asked if the products they deliver contain a SVHC substance above 0.1 %. They are also obliged to follow the updates of the REACH requirements, in particular the extension of the candidate list as well as the inclusion of substances in the REACH Annexes XIV and XVII and to compare them with the substance information.

#### **Customer information according to Article 33(1) Regulation EC 1907/2006 (REACH)**

Product parts listed in Appendix 1 (page 2) may contain SVHC of the candidate list above 0.1 mass percent.

### **RoHS Directive (2011/65/EU), Annex IV 2014/16/EU and Annex II 2015/863/EU**

We hereby inform you that the electrical equipment supplied by us complies with all substance restrictions of the RoHS Directive at the time of delivery. For the product parts listed in Appendix 1 (page 2), the exemption rule 2011/65/EU Annex III 6a-6c applies.

### **POPs Regulation (2019/1021/EU), Annex I and III**

We hereby inform you that we contractually oblige our suppliers to only supply us with products that do not contain any persistent organic raw materials in accordance with the POPs Regulation. Should this not be the case, we must be notified immediately. So far, no supplier has done this, therefore we assume that no hazardous substances according to the POPs Regulation are contained.

Please understand that due to the very large number of enquiries, we are unable to fill out specific questionnaires.

Kind regards,

Electrostar GmbH
